

ZERO BEAT, as published monthly by W4NTR, is an UNOFFICIAL newsletter designed for the use and benefit of Marine Corps Amateur Radio Operators and Stations. Contents of ZERO BEAT are the views, opinions, and recommendations only of W4NTR and the various contributors.

....

Traffic Reports are looking up again. Sixteen stations listed for the August totals, plus a few that arrived too late for the July listings.

<u>STATION</u>	<u>QTC</u>	<u>PP</u>	<u>TOTAL</u>	<u>STATION</u>	<u>QTC</u>	<u>PP</u>	<u>TOTAL</u>

SPECIAL * * * AUGUST

W3CUL Total QTC - 4452 - And a good percentage of that total is traffic Mae has handled for us. Many, many thanks, Mae.

Don't forget to route a copy of ZERO BEAT to your Special Services Officer. Let's keep them informed on the station activities.

Bill, K6RTP and AR Coordinator for 3rdMarDiv, sez he is now President. Of the Okinawa Amateur Radio Club that is. Congrats, Mr. Pres. Bill also they've just about lost contact with the east coast and mid-west stations now. Thanks to all who helped while the band opening was there. The Oki troops appreciate all the assistance and remind us to keep working together and we'll all benefit.

"..."

Oki, so far, has had two typhoons, with MA and MB losing their beams to the last one. But a little 'swappy-swappy' got MB back on with a beam from GF. KR6MH is going to have a new home soon.

"..."

W4PKS, Dick and Ken, sez PKS will be operating /4 from Fort Bragg about three weeks out of September with Ken on the horn, 4PKS is now operated during off-duty hours only.

"..."

K5UVP, Oscar, formerly with 6IAB is now an I&I man. Passes his best regards to all marine amateur stations and regular traffic gang from Lincoln, Nebraska. You'll find his new address on the next page,

"..."

6IAB has a new op. Not sure what handle he uses, but it's KH6EKC. Happy to hear you've joined the gang, my friend, and I'm sure Bob will say that goes double for him. Hope this will help you fellows avoid traffic back-log.

"..."

4NTR has acquired a TA3340 beam and a CDR HAM-M rotator. With 40 meters picking up this may do us some good up on the 60 foot tower.

"..."

Distribution on ZERO BEAT is now up to 85 copies monthly. Looks like business is picking up and that makes us feel real good. Still would appreciate receiving 'news' items, information and various tid-bits for the newsletter. It's your paper, so speak up and be heard.

"..."

Would also like to hear from anyone with information concerning both W4HBC and K4MC, located at Parris Island and MB Camp Elmore, Norfolk, respectively. Having those two stations back on the air would be of immeasurable value. That's a fancy term, but we certainly would be glad to have them active again for the South Carolina and Norfolk area traffic.

"..."

That just about takes care of that for this month. Would appreciate receiving your traffic totals prior to the 10th of each month so we can get ZERO BEAT out by the 15th. Let us hear about your newly Organized 'winter' skeds as they are arranged.

Follows the final installment. This completes the listing of licensed Marine amateur radio operators to date. Let us know if we've goofed on any info, or left anyone out. Be sure and keep us up to date on any transfers, etc..
